

Certificated & Accredited Programmes from CFM Consulting Ltd

CFM Consulting currently offers two types of Coaching programmes that are certificated and one Coaching programme that is accredited. All of our certificated and accredited programmes are awarded by the University of Strathclyde.

The certificated programmes are the Certificate of Performance (2 day) which is described in another brochure and The Certificate of Professional Development (6 days over 4 months) details of which are available in this brochure.

The Accredited Programme is a full 100 hours of study, development & practice and can give successful participants 30 academic credits at SVQ level 7. Details of this programme are available in other brochures.

About CFM Consulting Ltd

CFM Consulting Ltd was founded in October 2000. Peter Hill was Head of Coaching & Mentoring at the Industrial Society and was instrumental in The Society's approach to certified Coaching Programmes. He was involved in the UK's first University certified Coaching programme and has worked with many of the current offerings, currently available in the UK.

CFM Consulting now has a portfolio of clients, in the UK, Europe and the US, who have adopted CFM's approach to coaching and have found our certified programmes very beneficial.

We have a group of highly trained professional associates and Executive Coaches who are in considerable demand.

Certificated 6 Day Coaching Programme Certificate of Professional Development

As can be seen from the flowchart below, this qualification offers a platform that has academic rigour and practical experience that enables the participant to become competent in the art of coaching.

Coaching actually takes place back at work between workshops.

There are six days of tutorial support as well as a blend of fieldwork, open learning, 360° feedback, self study through use of MBTI, and reflection that make up this comprehensive programme. The academic rigour is provided by a before and after assessment against the competencies, verification of the participants coaching log, a case study and an interview with a member of the University of Strathclyde's Centre for Lifelong Learning.

The Autumn 2007 programme dates are :- 6th September, 4th October, 24/25th October, 20th November and 10th December 2007

Fees :- £3500.00 per person plus £612.50 VAT (£4112.50)

Venue — Stirling Management Centre, University of Stirling.
